### **Pakistan Journal of Psychological Research (PJPR)**

Pakistan Journal of Psychological Research (PJPR) is published biannually by the Dr Muhammad Ajmal National Institute of Psychology, Centre of Excellence, Quaid-i-Azam University, Pakistan. Its first issue was published in Summer, 1986. Since then two issues, one in summer and the other in winter, have been appearing every year (i.e., 1986 till 2018). In 2019, it is decided to change its status from biannual to quarterly. The PJPR maintains an international editorial board of Consulting Editors belonging to different countries, with expertise in a large number of areas. It employs a double-blind reviewing process i.e., the authors are not identified to reviewers and reviewers are not made known to authors. We strictly follow the HEC policy and strive to maintain its quality through rigorous process of reviewing and timely publication. Processing time varies from six to eight months depending on the nature of required revisions from authors.
